Ashtakvarga Analysis

Numerical Strength of Planets

Ashtakavarga is a unique predictive method in Vedic Astrology that assigns numerical values (bindus/ points) to each planet in each sign. It helps determine the strength and auspiciousness of planets in different houses. Higher points indicate favorable results, while lower points suggest challenges.

- Scores above 28 points in a sign are considered strong and auspicious
- Scores between 25-28 are moderate
- Scores below 25 indicate weakness and potential challenges
- The total Sarvashtakvarga (SAV) shows overall life strength in each sign

Sarvashtakvarga (SAV) - Overall Life Strength

Sarvashtakvarga is the combined Ashtakavarga of all seven planets. It shows the overall auspiciousness and strength in each sign of your chart. Signs with higher SAV scores indicate areas of life where you will experience more success, happiness, and favorable outcomes. The total SAV for all 12 signs should be 337 points.

Manglik Analysis

Mangal Dosha Evaluation

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In your birth chart, Mangal is placed in 12th house from Lagna, while in the Moon chart Mangal is placed in 5th house.

Mangal Dosha is present in your chart.

What is Manglik Dosha?

Vedic astrology says that if Mars is placed in the 1st, 4th, 7th, 8th or 12th house of a person's birth chart, then it is called Mangal Dosha. Mangal Dosha is also known as Bhom Dosha, Kuja Dosha or Angarakha Dosha. It can cause delays or hurdles in marriage and interpersonal relationships.

Remedies for Mangal Dosha:

- Fasting on Tuesdays and consuming only toor dal.
- Chanting the Hanuman Chalisa daily.
- Performing Kumbh Vivah (marriage with a pot or tree) before actual marriage.
- Visiting a Navagraha temple and performing Mars pacification rituals.
- Donating red clothes or lentils to the needy on Tuesdays.

Pitra Dosha Analysis

Ancestral Karma Assessment

Pitra Dosha is related to ancestral karma and blessings. It occurs when there are afflictions to the 9th house (house of father and ancestors) or when Sun is conjunct with Rahu or other malefic planets.

Indicators in Your Chart:

- Malefic planet in 9th house affecting ancestral blessings

Pitra Dosha is indicated in your birth chart.

What is Pitra Dosha?

Pitra Dosha indicates unfulfilled desires or curses from ancestors. It can manifest as obstacles in career, marriage delays, health issues, or financial problems. This dosha suggests the need to perform ancestral rituals and seek blessings from forefathers.

Remedies for Pitra Dosha:

- Perform Shraddha ceremony on Amavasya (new moon) days
- Feed Brahmins and poor people on Saturdays
- Donate to charitable causes in the name of ancestors
- Visit pilgrimage places like Gaya, Haridwar, or Rameshwaram
- Chant Pitra Gayatri Mantra regularly
- Plant a Peepal tree and water it regularly
- Perform Pitra Dosha Nivaran Puja on Mahalaya Amavasya

Shani Sade Sati

7.5 Years Saturn Cycle

Sadesati is the 7.5-year period when Saturn transits through the 12th, 1st, and 2nd houses from your Moon sign. It is considered a challenging but transformative period in Vedic astrology.

Current Sadesati Status:

First Phase (Rising) - Shani in 12th from Moon

This is the beginning phase of Sadesati. It may bring challenges related to expenses, losses, and mental stress.

Your Moon Sign: Aquarius

Saturn's Current Sign: Capricorn

You are currently in First Phase (Rising) - Shani in 12th from Moon of Sadesati.

What is Sadesati?

Sadesati occurs when Saturn transits the 12th, 1st, and 2nd houses from the natal Moon. It lasts approximately 7.5 years and is divided into three phases of 2.5 years each. While traditionally considered challenging, Sadesati is actually a period of karmic cleansing, spiritual growth, and building resilience.

Remedies for Sadesati:

- Chant Shani Mantra: "Om Sham Shanicharaya Namah" 108 times daily
- Worship Lord Hanuman on Saturdays
- Light a mustard oil lamp under a Peepal tree on Saturdays
- Donate black sesame seeds, black clothes, or iron on Saturdays
- Feed crows and poor people on Saturdays
- Wear a Blue Sapphire (Neelam) only after proper astrological consultation
- Recite Hanuman Chalisa daily
- Practice patience, discipline, and hard work
- Avoid shortcuts and unethical means
- Serve elderly people and laborers

Remember: Sadesati is a teacher. Accept challenges with grace and use this time for spiritual growth and self-improvement.

Character & Personality

AI-Powered Life Insight

'Ù>'%A '©M“ \$“é* (Bhanu Pratap), meaning 'the brilliance of the Sun,' perfectly encapsulates the personality, driven by the highly exalted Sun in Aries. This placement grants tremendous energy, inherent leadership qualities, and an uncompromising ambition, leading to a dynamic and pioneering spirit. Coupled with the Moon in Aquarius, the individual possesses an intellectual detachment, a humanitarian worldview, and a penchant for scientific or philosophical thinking. The primary weakness lies in a tendency towards impatience, sometimes viewing emotions logically rather than empathetically, and a fierce, yet necessary, ego that drives professional success.

Health & Wellness

AI-Powered Life Insight

Physical health is generally robust, powered by the fiery Sun, but attention must be paid to Pitta imbalances, which manifest as heat, inflammation, acidity, or potential blood pressure issues later in life. The Aquarian Moon can contribute to nervous tension and overthinking; thus, stress management through intellectual discipline or structured physical activity (like martial arts or competitive sports) is essential. Focusing on cooling foods and maintaining a balanced sleep schedule is highly recommended.

ॐ Hobbies & Interests

AI-Powered Life Insight

Interests gravitate toward activities that challenge the intellect, require strategic thinking, or involve futuristic concepts and large organizations. Hobbies may include studying astronomy, engaging in high-level strategic games (chess), organizational planning, networking with diverse groups, or engaging in competitive, physically demanding sports. The focus is always on expansion of knowledge and mastery.

Love & Relationships

AI-Powered Life Insight

In relationships, the native seeks intellectual compatibility, friendship, and shared vision rather than purely intense romantic emotion, reflecting the detached nature of the Aquarian Moon. The need for personal space and professional independence is paramount, meaning a partner must be highly understanding and self-sufficient. Marriage may be stable but non-traditional, often occurring later in life, and thrives best when the couple collaborates on social or professional goals.
